

Acenta Service Package

At your service

The Acenta Service Package not only guarantees excellent performance but also makes your courts last longer. This package helps your courts handle many hours of intense gameplay.

Our team is made up of experienced experts who can provide great service. We're good at finding and fixing any extra issues your courts might have, so they stay in great shape.

Select the Acenta Service Package for top-notch court care, and you can enjoy more hours of tough play without concerns about your court's condition.

The Acenta Service Package includes:

- Cleaning of grass
- Inspection and possible adjustment of glass.
- Inspection and possible tightening of screw points.
- Refilling of sand
- Inspection and possible tightening of the net.

Price: From 249€/court
